#### IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT -

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

By signing this application:

I authorize dealer and any finance company, bank or other financial institution to which the dealer submits my application ("you") to investigate my credit and employment history, verify my income, obtain credit reports, and release information about your credit experience with me as the law permits.

I further authorize you to forward my application and all related information to other creditors for evaluation as a method of effectuating my request for credit.

If an account is created, I authorize you to obtain credit reports for the purpose of reviewing or taking collection action on the account, or for other legitimate purposes associated with the account.

#### Monitoring, Recording, and Collection Communications

I agree that you, your affiliates, agents and service providers may monitor and record telephone calls regarding my account to assure the quality of your service or for other reasons. I also expressly consent and agree to you, your affiliates, agents and service providers using written, electronic or verbal means to contact me as the law allows. This consent includes, but is not limited to, contact by manual calling methods, prerecorded or artificial voice messages, text messages, emails and/or automatic telephone dialing systems. I agree you, your affiliates, agents and service providers may do so using any e-mail address or any telephone number I provide, now or in the future, including a number for a cellular phone or other wireless device, regardless of whether I incur charges as a result.

I certify that I have read and agree to the terms of this application and that the information in it is complete and true.

If you sign this credit application electronically, you intend that process to be your electronic signature on an electronic application, acknowledge receipt of all disclosures provided on the credit application, and give your authorization and consent to the recipient(s) of this application to take the actions identified in the credit application.
