

We're in the simplifying your business business.

Managing Your Business Just Got Easier

No long-term contract

Affordable pricing

Flexible maintenance
options

Consultative support

24/7 Availability

Simple for your business.

- **Manage maintenance, repair costs, and fuel expenses** for all vehicles in a single, monthly invoice
- **Control costs** through consistent pricing and invoice auditing, cost avoidance and post-warranty recovery
- Stay on top of **recommended service intervals**
- **Schedule and track preventative maintenance** items
- **Improve operating efficiency and strategic planning** with simple, detailed invoices and management reports

A-la-carte items are also available and may be selected independently of the rest of the program with additional costs associated. Those include:

- Accident Management
- Glass Repair & Replacement
- GPS/Telematics/e-Logs
- Registration, Renewal and State Change
- Personal Mileage Reporting
- Motor Vehicle Record Checks

Simple for you. Simple for your drivers.

- **Monitor or restrict driver spending:**
 - ✓ Secure, nationally accepted fuel cards
 - ✓ Monthly reporting on fuel costs and purchases
 - ✓ Monthly invoices that include all expenses
- **24/7 Emergency Roadside Service** for your drivers all year long.
- **Reduce driver downtime** with negotiated rental rates and rental time-tracking monitors
