

AT THE INTERSECTION OF  
EXPERIENCE AND QUALITY,  
TAYLOR LEADS THE WAY.

4325 Motorsports Drive  
Concord, NC 28027  
(704) 786-9400

## Our Process

### Gather Requirements

We work with you to determine your needs and budget

### Design

We draft the product design, select paint, & strategically place equipment

### Build

We fabricate and pre-fit all equipment, then complete paint & final detailing

### Test

We thoroughly test all products to ensure proper operation

### Delivery

Your product is ready for pickup once final payment is received

## WARRANTY

We aren't interested in selling you the largest truck possible. Instead, we tailor our lube trucks and skids to match your company's size and budget considerations.

We want you to leave with a product that contains everything you need, exceeds your expectations, and is within your budget.

To ensure this is the case, we guarantee our work and materials with an unparalleled five-year warranty.

Contact our team today to learn more or for any warranty questions!
