## U-9 & U-11

### Package Dump Body for Light Duty Trucks

*Warren U-9 & U-11 package dump bodies are built for top on-the-job performance in day-to-day operation. It is equipped with the hydraulic scissor hoist with a heavier duty Venturo VC516SF-ED. This body is ideal for trucks having 10,000 GVWR and above. The U-9 & U-11 is intended for use in hauling most materials used by landscapers, nurserymen, asphalt parking lot and driveway pavers, and municipal and park service maintenance crews. All Warren bodies and hoists are built of ASTM A1011 A-45 High Tensile Steel throughout for long, durable life.*

**(OPTIONAL: 304 Stainless Steel)**

*(Pictured is a U-9-1824 with Fold-down Sides)*
