

BLACK  WIDOW

GMC 2500

Make Heavy Duty, HEAVIER Duty. The Black Widow GMC 2500 oozes luxury at every turn, yet with its lifted suspension system and proprietary custom wheels it's sure to turn heads as well. We take one of the most menacing pickups on the road and turn it up to 11. From the lift kit to its custom stitched interior, we leave no stone unturned so that you can spend time turning some stones of your own.
