mySortimo services

>> Complete your vehicle – in one go!

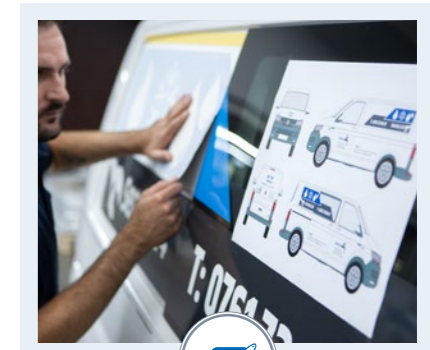

One-stop supplier!
 With the mySortimo Services you will benefit from a variety of platform tools that go well beyond your van shelving system. For instance, we can offer you suitable options for further organization, labeling, and advertising that benefit you in your everyday working life.
Explore your options online.

Shelf labeling
mySortimo labels
Not being able to locate important items in your vehicle can be time-consuming as well as unprofessional. Wasted time leads to wasted resources. Increase your PRODUCTIVITY and PROFITABILITY with the mySortimo label feature, where you have the ability to label shelves, boxes, bins, drawers, and compartments, all within the SR5 configurator. With the use of mySortimo labels, users can keep their workspace organized and complete tasks with ease.

Configurable foam inlay
mySortimo inlay
 Can't remember where you left your tools? Transporting sensitive items? Want to highlight specialty products in their own display case? Sortimo's inlay configurator can help you design your own foam inlay for BOXXes, Tool Cases or Drawers. The inlay is constructed of Dual-colored foam, helping to easily identify a missing item when removed. Simply photograph your tools and equipment against the mySortimo photo underlay, upload the images to the configurator and design the inlay you need to keep your tools organized and products secured.

Vehicle decals
mySortimo graphics
 Have you already organized everything inside your vehicle? What about your exterior advertising? Using the mySortimo graphics configurator, or with the help of our sales consultants, you can easily design and order exterior vehicle decals directly from your mySortimo account. Simply select the design template, upload your logo, enter your contact details and in minutes you've designed a personalized decal for your business.
