UNICELL®

ONE PIECE FIBERGLASS VAN BODIES

CLASSICUBE VAN BODY

UNICELL

ONE PIECE FIBERGLASS VAN BODIES

1. Better Visibility

Required in some states, the optional cross-view mirror provides a clear view of the rear of the truck.

2. Beautiful Exterior

No seams. No rivets. Smooth, glossy surface is perfect for company graphics. Five times tougher than .040" aluminum and better puncture resistance than 1/2" plywood.

3. Tough Floor

1-1/2" dense yellow pine with a heavy-duty steel understructure.

4. High Profile Taillights

Taillights are easier to see and less damage prone.

5. Bright Interior

Built in skylight and bright LED light allow a well-lit interior and safer work area.

6. Easy Access

The optional extra large sliding bulkhead door allows comfortable access between cab and body.

7. Lining

Standard 3/8" plywood lining with optional D-rings for securing cargo.

8. Safety Step

Standard galvanized steel grip strut step bumper has an extra deep non-skid surface.
