

MERCEDES VAN SOLUTIONS

FOR SPRINTER AND METRIS VANS

Mercedes-Benz

weather guard DESIGNED WITH THE PROFESSIONAL IN MIND

WEATHER GUARD® Van Solutions deliver unmatched organization, productivity, and durability, backed by a Limited Lifetime Warranty.

WEATHER GUARD® Van Solutions are ready to roll with game changing improvements based on years of research and your input. Completely retooled shelving, improved bulkheads, customizable organizational features, and a host of smart new accessories, designed around the common sense idea that tools and equipment belong on the shelf, not the floor.

TABLE OF CONTENTS

The PRO PACKAGES for Mercedes Sprinter and Mercedes Metris vans on the next few pages can be used as a complete upfit package or a starting point for a custom upfit. Van layout dimensions are on the back cover if you're looking for something more custom or just need some detailed information about your van's interior. If you need more help, your local WEATHER GUARD® Truck and Van Equipment distributor is a great resource for all your upfitting questions.

BULKHEADS

WEATHER GUARD® Van Bulkheads separate the driver compartment from the cargo area for maximum protection against shifting loads. Polycarbonate windows reduce noise and provide visibility through the bulkhead. The angled design cuts glare to improve visibility and safety. Bulkhead accessories are available to make the most of organization space in your van. Deep offset bulkheads provide superior comfort in the cab area allowing full seat travel.

Model 96121-3-01

Model 96122-3-01
