

AEROCELL

The **Aerocell CW** van body features a slim profile that maneuvers easily through tight traffic and narrow driveways. Though compact and light-weight, this little high cube packs maximum payload and cargo.

And it's fuel-efficient!

The sleek, aerodynamic shape of the **Aerocell CW** is less resistant to wind, saving time and money at the fuel pump!

UNICELL®

ONE PIECE FIBERGLASS VAN BODIES

AEROCELL

EXTERIOR

- **Exclusive One Piece** molded Unicell® fiberglass shell construction is strong, seamless, and will never rust or corrode
 - **White Gelcoat** surface is thicker and tougher than paint with a glossy finish that lasts
 - **Air Deflector** is built-in, not added on, for enhanced fuel economy and extra storage over the cab
 - **Side Skirts** integrate with the cab for a finished automotive appearance
 - **Rub Rail** is corrosion-resistant anodized aluminum for attractive full body length protection
 - **Mud Flaps** behind rear wheels meet Federal requirements for splash control
- ## LIGHTING
- **Timer Switch** at the rear eliminates battery drain by turning the light off automatically
 - **LED Light** has more candle power for safe nighttime illumination
 - **Skylight** is integrated in the ceiling, not a separate panel, for leak-proof, natural lighting
 - **Taillights** are high-mounted for resistance to damage and greater visibility from behind

DOOR

- **Rear Door** rolls up out of the way for full access at the rear frame
- **Grab Handle** on each side of door frame for safe entry and exit

BUMPER

- **Extra Deep 11"** galvanized steel with superior surface traction

FLOOR

- **Dense Pine** shiplap flooring is fully undercoated, then top-sealed with a high-gloss polyurethane finish
- **Wheelboxes** bring the floor level down to a conveniently low step up height

LINING

- **3/8" plywood lining**
- **Bulkhead** wall protects driver and passenger from shifting cargo

AVAILABLE OPTIONS

DOORS

- Bulkhead sliding door for cab access
- Swing-out full width 69.75" double panel
- Swing-out 50"W double or single panel
- Side doors, swing-out or roll up
