

ROCKY  RIDGE

Ford F-150

Tough. Productive. Those are the words that Ford uses to describe its F-150. At Rocky Ridge, those words and the stock design just isn't enough. We take tough and make it tougher by adding a 6" premium lift with 20" or our optional 22" wheels. Accompany those tough accessories with the finest leather appointments inside the cab and you have a tougher and more productive F-150 than anyone in town. Be tough, be bold.
