

BLACK OPS

Ford F-150

Our new Induction Style Metal Hood is our next step forward in quality and performance. The elevated precision of the metal hood manufacturing process and material allows for a more intricate and aggressive hood design. Front and Dual Rear Hood Vents improve the induction airflow while adding an exclusive look.

FOX 2.0 Shocks

The Performance Series 2.0 Tuned Shocks smooth body shocks contain the latest in shock technology to transform the performance of your Truck or SUV. They utilize FOX's race-proven damping control to provide a comfortable on-road ride and predictable off-road handling in even the toughest conditions.
